British Journal of Hospital Medicine

Index/volume 46

July to December 1991

A

ACE inhibitor,
new. *Conference news* ... 185
reduced heart failure deaths in SOLVD. *Conference news* ... 345
Acquired immunodeficiency syndrome, *Mycobacterium avium-intracellulare* infection in the. A Scoular et al ... 295
Addiction, running. *Corres* P Salmon ... 17
AIDS, neuropathies in. *Editorial* GN Fuller ... 137
see also Acquired immunodeficiency syndrome
Airways obstruction, *see* Lung function
Ala FA, *see* Entwistle CC and —
Alexander-Williams J. The future of general surgery. *Editorial* ... 291
Alkaline phosphatase, placental, in seminoma. *Corres* GW Bowyer and GS Dhatt ... 18
Alzheimer's disease, unravelling the causes of. *Corres* J Clinton and GW Roberts ... 17
Anaesthesia, 25 years of. RJ Eltringham ... 210
Anderson M. Is the implantable cardioverter-defibrillator cost-effective? *Editorial* ... 357
Antenatal assessment of intrauterine growth retardation. MJ Whittle ... 42
Antibiotics, why do GPs overprescribe? *Conference news* ... 59
Anticholinergic,
antiparkinsonian drugs in psychiatry. JA Boodhoo and M Sandler ... 167
drugs in anaesthesia. *FCAnaes suppl* RK Mirakhur ... 409
Antidepressants, behavioural toxicity of. *Conference news* ... 59
Antiparkinsonian drugs, anticholinergic, in psychiatry. JA Boodhoo and M Sandler ... 167
Appendicitis, ultrasonic diagnosis of. *Corres* JW Williams and RK Levick ... 267
Arterial embolectomy, review highlights poor results of. *Corres* NA Burgess, MW Scriven and MH Lewis ... 293
Arya DK. Conduct of the examination in child sexual abuse. *Corres* ... 366
Asbury AJ and **Brown JH.** Preparing for examinations. *FCAnaes suppl* ... 340
Ash S. Tuberculosis in HIV-infected patients presents problems. *Corres* ... 293
Aspergillus infection, lung resection and. *Conference news* ... 124
Asthma,
acute severe, current management of. AE Tattersfield ... 38
the inflammatory response in. SL Johnston and ST Holgate ... 84
Atkinson Sir D, *see* **Spreadborough J** and —
